Exhibit 2 – Page 14: Measures to Reduce Shortfall

Exhibit 2 shows the recommended measures needed to balance the budget. The exhibit includes the measure, the number of students impacted, the projected reduction, and the remaining shortfall. According to guidance from the Office of the Attorney General, per Miss. Code Ann. § 37-106-14 (2), all undergraduate grants must be fully funded before any loans, even renewal loans.
a. As required by SB 2868, freeze the income threshold at $39,500 for HELP eligibility. The measure will require a change to the Rules.
b. Clarify that all HELP recipients must demonstrate completion of the HELP Core Curriculum in high school. The measure will require a change to the Rules.
c. Reduce HELP eligibility from 10 terms to 8 terms. The measure will require a change to the Rules.
d. Per Miss. Code Ann. §37-106-79 (6), which requires specific appropriation by the Legislature, suspend all payments on the Mississippi Teacher Loan Repayment Program (MTLR).
e. Limit loans to renewal undergraduate students only.
f. Limit loans to renewal graduate students only.
g. Make no awards on the following programs: Counselor and School Administrator (CSA), Graduate Teacher (GTS), and Veterinary Medicine for Minorities (VMMP). Per Miss. Code Ann. §37-106-47, the Board is authorized and empowered to operate the programs, but funding is not specified or required.
h. Make no Nursing Teacher Stipend awards. Per Miss. Code Ann. §37-106-59, the law indicates that awards “shall” be made to undergraduate and graduate nursing students, but the additional stipends “may” be offered at the discretion of the Board.
i. Make no Health Care Professions awards. Miss. Code Ann. §37-106-67 establishes the program and specifies recipients, but does not require funding.
j. Redefine full-time as 15 credit hours per term. The measure will require a change to the General Administration Rules and many program rules.
k. Reduce by half the award amounts for the State Medical Education Loan (MED), State Dental Education Loan (DENT) and Out-of-State Graduate and Professional Degree Loan (STSC). Per Miss. Code Ann. §37-106-61, §37-106-63, and §37-106-65, the Board may determine the maximum annual award amounts.
